

1 GAME OVERVIEW

- Build a mound by placing dice, gathering wood, hatching termites, and completing blueprints.
- 1-4 players | 60-75 minutes | Age 10+
- Trigger the finish by completing the required 5th or 7th row. Highest final score wins.

2 SETUP CHRONOLOGY

1. Choose a 5-row short game or 7-row long game.
2. Give each player a board, matching pieces, 6 worker dice, and 1 soldier die.
3. Arrange action cards A-G in order.
4. Prepare the three surface wood supplies.
5. Build the facedown deep-dirt card pyramid as directed.
6. Shuffle blueprints and create the display.
7. Shuffle the 15-card Queen deck by Card C.
8. Choose first player and place shared supplies within reach.

FAST REMINDERS

- Rolled dice remain visible to everyone.
- Slots normally require an exact value match.
- Soldiers count as two termites and may bump workers.
- Placed dice do not resolve until Night.
- Blueprint shape and color requirements govern building.

4 TABLE SETUP

Typical 4-player layout - keep shared cards and supplies central.

1 NIGHT PHASE: RESOLVE ACTIONS A-G

CARD	ACTION	HOW IT RESOLVES	WATCH FOR	TACTICAL VALUE
A	Hatch	Pair two equal-value dice with an egg to gain a future worker.	Prepare the pair first.	More future actions.
B	Train	Meet the requirement to upgrade a worker into a soldier.	Soldiers count as two.	Win contests and bump.
C	Queen	Claim and use Queen cards according to their printed timing.	Deck exhaustion can end play.	Flexible effects.
D-F	Wood	Highest total takes 2 wood; second takes 1.	Store wood immediately.	Secure needed colors.
G	Dig	Flip legal deep-dirt cards to open paths to rare resources.	Dig only accessible cards.	Reach fresh materials.

KEY RULES

- Place one die at a time.
- Match slot numbers unless modified.
- Soldiers count as two and may bump.
- Resolve A-G only during Night.
