- 2: Plays one card to try to win the Day;
- 3: Draws one card.

To Win the Day: The Day is won by the lowest un-matched card. If all cards are matched, leave the Day card for the next round.

The End: Play for 12 rounds. Each Day card is worth its rank in points. Also, the players who hold the most Gift cards in each rank score points equal to the value of the rank. For example, the player holding the most 9's scores 9 points.
