Theme and Overview

- **Theme** - Directors of a small 3 Ring Circus travelling the US trying to gain fame
- **Overview** - You will hire artists to perform shows in towns and cities to gain fame, performing will provide you further resources, artists and more fame
- **Game Type** - Tableau builder with area majority and end game bonuses

General Concepts

- **Map** - There are 5 regions each with 1 big city, 2 medium cities and 6 small towns
- **Board** – Represents 3 Ring circus, pay attention to the icons – Pedestals, Money and Movement
Performers will be played here – no same value in a row, ascending order (explain more in next stage)
- **Cards** - There are 3 main types of cards – Most are performers, 10 card hand limit, discard reshuffles

End Game

- Get via board bonuses - Will only ever receive 3 max in the game
- Must play when you complete a column, can never be discarded, counts towards hand limit

Money

- Mainly get via performing in small cities
- Basic performers and immediate effect cards – used to pay for other performers
- “1-4” – no pts - provide pedestals based on row and type bonuses to help with medium cities
- “5” – Immediate effect, 1 max can be discarded before a performance for effect (not on board)

Ticket

- Get via performing in medium cities
- Give fame pts and some needed for big cities
- “5-6” - Few pts but provide additional icons for your board
- “8-13” - More pts, additional pts based on row (performers needed for big cities)
- “14-16” - Pts based on whole board not just row
- When taking them, can take from display or deck – refill display only after turn

Gameplay

1 action per turn, either “Engage an Artist” or “Perform a Show” and play clockwise

Engage an Artist

- No same value in one row, cards organised in ascending order, move cards as needed
- First card in row– pay full cost by discarding money cards totalling value or above
- Further cards – pay difference for discount, if a previous card has higher total, card is free
- Calculate pedestals – to help you remember how many you have
- Take any newly covered placement bonuses or triggered actions (end game card or points)

Performing a Show - Movement

- Movement based on train icons on circus board – Must move
- Must skip small towns with circus tents
- May skip those with other caravans (including Barnum)
- Can skip cities you have already or cannot perform in

Performing a Show – Performance

Players can only performance in each location once

- Small Towns
 - Only one performance per game in each small town
 - Money cards based on circus board symbol
 - 1 money card for performance
 - Additional money cards for any empty small towns next to it
- Medium Cities
 - Money cards based on circus board symbol
 - Calculate pedestals in circus (+ bonus for performer type in city – max one time for 2 pedestals)
 - Place tent on highest number or below – take ticket cards or points
- Big Cities
 - Must have required performer to perform here
 - Money cards based on circus board symbol
 - 6 base points plus any additional for performers in same row and timing

!!!MOVE BARNUM AFTER EVERY PERFORMANCE!!!

Barnum’s Performance (Area Majority Scoring)

- Barnum's caravan moves after every performance, skips any small towns with tents on
- When Barnum enters big city, flip over Barnum’s tile
- Barnum does not move any more until tile is flipped over again
- Once the player whose turn it is over, do area majority scoring for that region
- Tie Breaker: Main City – leftmost slot, Medium City – highest number, Small City – closest town to main
- Flip tile back over and pass to their right

Game End

- After Barnum’s Caravan does full loop and area majority is triggered in the starting city region

(First Turn Note - Place caravan in unoccupied main city and engage 1 artist - pay as normal)
